Crookwell 2

GPG representatives briefed the CCC on operational matters.

The 5-year maintenance cycle is 60% complete.

Some blades are being repaired including one from lightning strike.

Ongoing work on gearboxes are continuing.

Environmental monitoring and remediation work continue.

Graham took the opportunity to brief the committee on arrangements in place regarding **Crookwell 3.**

Drainage and pothole work continues.

100% of turbines have been assembled and cold tested.

The Transgrid connections awaits.

Cable testing has been completed.

O&M building and warehouse to be delivered in May.

A new website for C2&3 is under development and will include comprehensive community engagement including a monthly newsletter.

Members again raised a number of points regarding transport and roadway issues. It is generally expected that GPG needs to take all steps necessary to minimise disturbance to traffic movements especially in peak times.

The chair reminded the GPG representatives that the CCC is a to be briefed regularly on matters to do with environmental performance and other relevant material at each meeting.

Issues identified by the community or local government representatives

All relevant matters covering the meeting

Community complaints and response to complaints

GPG to table a complaints register at future meetings as is required under the CCC guidelines. The company currently has a free call number (1800 457 181) for all community enquiries, this number will be used for the community complaints process once the next phase of construction in early 2021 has commenced. The company website also has an enquiry form that will be used for the community complaints process.

General Business

As mutually agreed the Crookwell 2 and 3 meeting concluded and there followed a general discussion with members of the Gullen Range and Biala Windfarms. Community representative and a staff member of BJCE attended the discussion.

The conversation covered ground such as the long term implication of community development funds being made available and how community benefit might be maximised.

It was noted that some members of the community are looking to work with council on promoting Upper Lachlan as the first green LGA in NSW. Among other opportunities. All in attendance agreed to continue to seek ways of cooperating.

Next meeting

The next meeting is scheduled for XXX at 4PM at Crookwell.

The venue is the CWA Hall in Crookwell unless otherwise agreed and the meetings will commence at 4.00pm. The meeting schedule, venue and time may be changed subject to availability, and will be notified in advance of the scheduled event.
